ABOUT US

Taizhou Xinshun Sanitary Ware Technology Co., Ltd. was established in 2008. It is a professional manufacturer of floor drains, basin drains, bathtub drains and other types of drains. A professional enterprise integrating product development, production and sales.

The company is located in Taizhou, the coast of the East China Sea. The wholly-owned factory building has a construction area of 10,000 square meters, and has a modern processing center, various types of stamping equipment, CNC machine tools and other precision machinery. Products are exported to Europe, America, Middle East, Southeast Asia and other countries.
The company takes Mr. Inamori Kazuo's altruism as the core.
